

# ALAGAPPA UNIVERSITY

State University | A++ by NAAC (CGPA: 3.59) Dual Mode in the 4<sup>th</sup> Cycle |  
Category - I University by UGC

## DEPARTMENT OF BIOELECTRONICS & BIOSENORS

Organizes

*One day workshop on*

### Scientific Perspectives and Analysis of Herbal Medicines Using Chemical Sensors

#### SPEAKERS

**Dr. G. J. Christian** (National Institute of Siddha, Chennai)

*Evidence Based Clinical Leads in Siddha Medicine*

**Dr. M. Ramesh** (Alagappa University, Karaikudi)

*Enhanced and Sustainable Production of High Value  
Phytochemicals from selected Medicinal Plants for  
Pharmaceutical Industry*

**Dr. R. Umamaheswari** (Ming Chi University of technology, Taiwan)

*Trending Smart Topics in Chemistry of Lateral Flow Assay  
(LFA) Test: A Widely Used Rapid Diagnostic Technology  
Towards POCT*

**Dr. C. Sekar** (Alagappa University, Karaikudi)

*Electrochemical Sensors for Scientific Validation of Herbal  
Medicines*

5<sup>th</sup> February 2026 || Venue: 4<sup>th</sup> Floor, Science Campus, Alagappa University

Programme Starts at 10 AM

**No Registration Fee**
